- 4.10. PALMA STREET reserves a right to raise commission on withdrawal up to 4.5% in case there is no sufficient trading activity between last deposit and withdraw request.

- 4.11. Normally PALMA STREET shall not provide any advice to the Client on any tax issues related to any Services. The Client is advised to obtain individual independent counsel from its financial advisor, auditor or legal counsel with respect to tax implications of the respective Services.

5. DEALINGS BETWEEN THE COMPANY AND THE CLIENT

- 5.1. The Client may provide PALMA STREET with oral through recorded telephone or written instructions (which shall include instructions provided via the internet or by e-mail as described below). PALMA STREET shall acknowledge the reception of the instructions orally or in writing, as appropriate.
- 5.2. The Client shall inform PALMA STREET in writing of the persons the Client has granted a Power of Attorney to instruct PALMA STREET on behalf of the Client. For practical reasons, PALMA STREET can only undertake to register one Power of Attorney for the Client. If the Client at any time wishes to revoke such a Power of Attorney, to change the extent of the Power of Attorney, or grant Power of Attorney to a different person this shall also be informed to PALMA STREET in writing. PALMA STREET is in accordance with general rules regarding Power of Attorneys entitled to receive instructions from any person authorised by the Client as well as persons who appear authorised.
- 5.3. In addition to the terms listed on PALMA STREET's website and the terms stated in Section 6 regarding the Trading Platform, the following terms apply to Contracts executed on the internet:
- 5.3.1. PALMA STREET shall not undertake the risk towards Clients for any loss, expense, cost or liability suffered or incurred by the Client due to failure of the system, transmission failure or delays or similar technical errors unless PALMA STREET has exercised gross negligence in connection herewith, notwithstanding Clause 6.9;
- 5.3.2. PALMA STREET may offer real-time tradable prices to the Client. Due to delayed transmission between the Client and PALMA STREET the price offered by PALMA STREET may have changed before an order from the Client is received by PALMA STREET. If automatic order execution is offered to the Client, PALMA STREET shall be entitled to change the price on which the Client's order is executed to the market

value at the time at which the order from the Client was received;

- 5.3.3. Prices offered by PALMA STREET regarding the sale, purchase or exercise of Contract Options reflect the price of the relevant exchange traded product. Due to delays from the Client's execution of an order or instruction regarding a Contract Option to the execution of the relevant exchange traded product on the exchange, the price as listed on the Trading Platform is subject to change, in order for the Contract Option to reflect the price of the relevant exchange traded product at the time of its execution or exercise (as applicable);
 - 5.3.4. The Trading Platform may be available in several versions, which may be differentiated in various aspects including, but not limited to the level of security applied, products and services available etc. PALMA STREET shall not be liable to the Client for any loss, expense, cost or liability suffered or incurred by the Client due to the Client using a version different from PALMA STREET's standard version with all available updates installed;
 - 5.3.5. The Client shall be responsible for all orders, and for the accuracy of all information, sent via the internet using the Client's name, password or any other personal identification means implemented to identify the Client;
 - 5.3.6. The Client is obliged to keep passwords secret and ensure that third parties do not obtain access to the Client's trading facilities;
 - 5.3.7. If the Trading Platform is used for Commercial use the Client is liable to PALMA STREET for Contracts executed by use of the Client's password even if such use might be wrongful;
 - 5.3.8. Regardless of the fact that the Trading Platform might confirm that a Contract is executed immediately when the Client transmits instructions via the Trading Platform, it is the Settlement/Trade Confirmation forwarded by PALMA STREET or made available to the Client on the Trading Platform which solely constitutes PALMA STREET's confirmation of execution.
- 5.4. Any instruction sent via the Trading Platform or by e-mail by the Client shall only be deemed to have been received and shall only then constitute a valid instruction and/or binding Contract between PALMA STREET and the Client when such instruction has been recorded as executed by PALMA STREET and confirmed by PALMA STREET to the Client

through the Settlement/Trade Confirmation and/or Account Statement, and the mere transmission of an instruction by the Client shall not constitute a binding Contract between PALMA STREET and the Client.

- 5.5. The Client shall promptly give any instructions to PALMA STREET, which PALMA STREET may require. If the Client does not give such instructions promptly, PALMA STREET may, at its reasonable discretion, take such steps at the Client's cost, as PALMA STREET considers necessary or desirable for its own protection or the protection of the Client. This provision is similarly applicable in situations when PALMA STREET is unable to obtain contact with the Client.
- 5.6. If the Client does not provide PALMA STREET with notice of its intention to exercise an option, a Contract Option or another Contract which requires an instruction from the Client at the time stipulated by PALMA STREET, PALMA STREET may treat the option or Contract as abandoned by the Client. If the Client wishes to exercise an option, Contract Option or another Contract, the Client must provide PALMA STREET with notice thereof in reasonable time (and within applicable cut-off times) for PALMA STREET to exercise the corresponding right under any contract equivalent to the Contract Option that PALMA STREET has entered into with any Counterparty. Contract Options (put and call) that close one tick or more in the money on the last trading day will automatically be exercised, regardless of whether the Client has purchased or sold the Contract Option. The Client cannot instruct PALMA STREET not to exercise Contract Options that are in the money at expiry and cannot at any time instruct PALMA STREET to exercise Contract Options that are out of the money.
- 5.7. PALMA STREET applies a random method of assignment among its Clients' Contract Options when PALMA STREET is notified by its Counterparties that one or more short option positions have been assigned. PALMA STREET's allocation method randomly selects short Contract Options among all PALMA STREET's Clients' positions, including Contract Options opened immediately prior to the assignment. All short Contract Options are liable for assignment at any time. If a short Contract Option is assigned, the Client is obliged, within the applicable time of delivery, to deliver the relevant amount of cash or assets in the case of a call Contract Option and the relevant amount of cash in the case of a put Contract Option, to effect settlement.
- 5.8. PALMA STREET may (but shall not in any circumstances be obliged to) require confirmation in such form as PALMA STREET may reasonably request if an instruction is to

close an Account or remit money due to the Client or if it appears to PALMA STREET that such confirmation is necessary or desirable.

- 5.9. Pursuant to general rules regarding power of attorney the Client is accountable to PALMA STREET for losses which PALMA STREET may suffer as a result of instructions from a person who has explicitly or tacit power of attorney to give PALMA STREET instructions on behalf of the Client.
- 5.10. PALMA STREET reserves the right in its absolute discretion to cancel, unwind, close out, repair, reinstate or take other action it may deem necessary with respect to open or closed trades of Client or instructions from the Client where the trades executed or instructions submitted would be in violation of, but not limited to, the Agreement, securities markets legislation, usual market practices, legislation on money laundering or insider trading or if the Client is using or has otherwise engaged proprietary or third party malicious and manipulative software or plugins or general trading style that in PALMA STREET's, its eligible counterparties' or liquidity providers' view, has the actual, suspected or potential nature of breaching the Agreement or relevant securities markets legislation or PALMA STREET believes that to execute its absolute discretion with the regards to the above matters is necessary to protect its own interests, or the interests of its Clients.
- 5.11. In general, PALMA STREET shall act according to instructions as soon as practically possible and shall, as far as trading instructions are concerned, act consistent with the broker's Best Execution Policy. However, if after instructions are received, PALMA STREET believes that it is not reasonably practicable to act upon such instructions within a reasonable time, PALMA STREET may defer acting upon those instructions until it is, in PALMA STREET's reasonable opinion, practicable to do so or as soon as possible notify the Client that PALMA STREET is refusing to act upon such instructions.
- 5.12. It is possible that errors may occur in the prices of transactions quoted by PALMA STREET. In such circumstances, without prejudice to any rights it may have, PALMA STREET shall not be bound by any Contract which purports to have been made (whether or not confirmed by PALMA STREET) at a price which:
- i PALMA STREET is able to substantiate to the Client was manifestly incorrect at the time of the transaction; or
 - ii was, or ought to have reasonably been known by the Client to be incorrect at the time of the transaction. In which case PALMA STREET reserves the right to either

- a. cancel the trade all together or
 - b. correct the erroneous price at which the trade was done to either the price at which PALMA STREET hedged the trade or alternatively to the historic correct market price.
- 5.13. Trading strategies aimed at exploiting errors in prices and/or concluding trades at off-market prices (commonly known as "sniping") are not accepted by PALMA STREET Provided that PALMA STREET can document that there on the time of the conclusion of the trade were errors in prices, commissions, or in the Trading Platform, and provided PALMA STREET can render probable that the Client, based on its trading strategy or other provable behavior, deliberate and/or systematically has exploited or attempted to exploit such an error, PALMA STREET is entitled to take one or more of the following countermeasures:
 - i adjust the price spreads available to the Client;
 - ii restrict the Client's access to streaming, instantly tradable quotes, including providing manual quotation only;
 - iii retrieve from the Client's account any historic trading profits that PALMA STREET can document have been gained through such abuse of liquidity at any time during the client relationship; and/or
 - iv terminate the client relationship immediately by giving written notice.
- 5.14. If the Client is more than one person (for example, joint accountholders):
 - i the liabilities of each such person shall be direct, joint and several;
 - ii PALMA STREET may act upon instructions received from anyone person who is, or appears to PALMA STREET to be, such a person, whether or not such person is an Authorised Person;
 - iii any notice or other communication provided by PALMA STREET to one such person shall be deemed to have been provided to all such persons; and
 - iv the rights of PALMA STREET under Clause 19 shall apply if an event described in Clause 19 shall be deemed to have occurred in respect of any one of such persons.
- 5.15. The Client agrees that the Company may record all telephone conversations, internet

conversations (chat), and meetings between the Client and PALMA STREET and use such recordings, or transcripts from such recordings, as evidence towards any party (including, but not limited to, any regulatory authority and/or court of law) to whom PALMA STREET at its reasonable discretion sees it to be desirable or necessary to disclose such information in any dispute or anticipated dispute between PALMA STREET and the Client. However, technical reasons may prevent PALMA STREET from recording a conversation, and recordings or transcripts made by PALMA STREET will be destroyed in accordance with PALMA STREET's normal practice. Consequently, the Client should not rely on such recordings to be available.

- 5.16. When the Client instructs PALMA STREET to enter into a position opposite to one or more of the Client's open positions, PALMA STREET will close out the opposite position in accordance with the FIFO principles unless the position has related orders or otherwise agreed.
- 5.17. The Client acknowledges that PALMA STREET has the right to, but not the obligation to close directly opposite positions. This applies not only when the positions are held on the on the same account, but also when they are held on separate accounts.
- 5.18. If the Client operates several Accounts (or subaccounts) and opposite positions are opened on different Accounts (or sub-accounts), PALMA STREET shall not close out such positions. The Client is specifically made aware that unless closed manually, all such positions may be rolled over on a continuous basis and thereby consequently all incur a cost for such roll-over.

6. SPECIAL NOTE ON THE USE OF THE TRADING PLATFORM

- 6.1. The technical requirements to which the Client's IT equipment, operating system, Internet connection etc. shall conform are described on PALMA STREET's website.
- 6.2. The Client shall enter his user ID and password when logging on to the Trading Platform. The Client should memorize the password. The Client is obligated to notify PALMA STREET without undue delay on becoming aware of unauthorized use of the Trading Platform, or if the Client suspects that the password has been misappropriated by a third party, the Client shall contact PALMA STREET immediately to block his Trading Platform. The Client can then order a new password. The Client is for a period of 18 months after notification entitled to request PALMA STREET to provide the Client with the means to prove that he made such notification.

- 6.3. The Client can block his Trading Platform at any time by contacting PALMA STREET. Blocking the Trading Platform prevents other persons from accessing it. Open orders and positions placed on the platform before the blocking will not be affected by the blocking unless the Client specifically requests so, and the Client is responsible for deciding about his positions.
- 6.4. The right to use the Trading Platform is personal, and the Client shall not allow other persons to use his user ID and/or his password. If the Client wants to allow a third party to trade on the Client's account, the Client shall issue a separate power of attorney to the relevant third party. The power of attorney shall be written on one of PALMA STREET's power of attorney forms. The issue of the power of attorney shall be approved by PALMA STREET.
- 6.5. From the Trading Platform the Client can print reports on trading activities and his account balances.
- 6.6. Where the Client has placed an order which he subsequently regrets, the Client may request that the order be cancelled up until the time of execution. The Client is aware that PALMA STREET is under no obligation to cancel the order. A request for cancellation or an order can be made via the Trading Platform or by calling PALMA STREET Sales Trading. Requests concerning cancellation of orders generated when the margin is exceeded can only be made to PALMA STREET Sales Trading. An order shall not be considered to be cancelled until the Client has received a written confirmation from PALMA STREET.
- 6.7. The Client shall not be liable for unlawful use of the Trading Platform occurring after the Client has informed PALMA STREET.
- 6.8. Where the Trading Platform is used for Private Use, PALMA STREET shall be liable for direct losses resulting from defectively executed orders, unless defectively executed order is due to conditions for which the Client is liable. PALMA STREET shall not be liable for any indirect losses.
- 6.9. PALMA STREET shall not be liable for losses in cases of abnormal and unforeseeable circumstances beyond the control of PALMA STREET pleading for the application of those circumstances, the consequences of which would have been unavoidable despite all efforts to the contrary.
- 6.10. If the Trading Platform is used for Commercial use PALMA STREET shall not be liable for

any indirect losses and/or losses resulting from:

- i Operational failures preventing the use of the Trading Platform;
- ii Interruptions preventing the Client from accessing the Trading platform;
- iii Use of the Internet as a means of communication and transport;
- iv Damage caused by matters relating to the Client's own computer systems.

6.11. PALMA STREET shall not be responsible for losses resulting from the Client's installation and use of the computer programs used on the Trading Platform, unless such liability follows from indispensable rules of law. Where the Trading Platform is used for Commercial Use, the Client shall be responsible for ensuring that the Trading Platform is adequately insured against direct and indirect losses which may result from the installation and use of the computer programs in the Client's computer system. Furthermore, the Client shall be obliged to make backup copies of data which, should such data be lost, might result in losses for the Client.

6.12. PALMA STREET reserves the right to archive or disable the Client Account that is inactive (no trading and/or deposit/withdrawal activity) for at least 90 calendar days and has a balance of equal or less than 10 euros or equivalent in other currencies. The Client Account may be restored from archive only to generate a report/statement and not for trading or depositing. Restored Client Account is again put back to archive once the report/statement is generated. The client may open a new trading account at any time and transfer any archived balance to the new account. When a Margin Trade has been opened, PALMA STREET is not allowed to close the Margin Trade at its discretion but only at the Client's instruction or according to PALMA STREET's rights under this Agreement. - 10.9. Furthermore, the Client acknowledges, recognizes and accepts that the procedures described in Clause 10 and Clause 13 may result in additional indirect costs for the Client.

11. INTEREST AND CURRENCY CONVERSIONS

- 11.1. Subject to the Clause below and save as otherwise agreed in writing, PALMA STREET shall not be liable to:
- i. pay interest to the Client on any credit balance in any Account or on any other sum held by PALMA STREET; or

- 11.3. The Client is obliged to pay interest on the basis of the Client's negative Net Free Equity in accordance with the terms in PALMA STREET's Commissions, Charges & Margin Schedule.
- 11.4. PALMA STREET may vary such interest rates and/or thresholds for interest calculation without notice when changes are to the Client's advantage, or the grounds for changes are due to external circumstances beyond PALMA STREET's control. Such circumstances are:

- 11.7. Whenever PALMA STREET conducts currency conversions, PALMA STREET will do so at such reasonable rate of exchange as PALMA STREET selects. PALMA STREET shall be entitled to add a mark-up to the exchange rates. The prevailing mark-up is defined in the Commissions, Charges & Margin Schedule.

12. PLEDGE AGREEMENT

- 12.1. Any and all Security transferred to PALMA STREET by the Client or held by PALMA STREET or by PALMA STREET's Counterparties on behalf of the Client is pledged as a security for any liability that the Client may have or get towards PALMA STREET. Without limitation such Security shall comprise the credit balances on Accounts, the securities registered as belonging to the Client on PALMA STREET's books, and the value of the Client's open positions with PALMA STREET.
- 12.2. If the Client fails to fulfill any obligation under this Agreement, PALMA STREET is entitled to sell any pledged Security immediately without any notice or court action. Such sale shall take place by the means that PALMA STREET in its reasonable discretion determines and at the price that PALMA STREET in its reasonable discretion determines to be the best obtainable.

13. NETTING AGREEMENT

- 13.1. If on any date the same amounts are payable under this Agreement by each party to the other in the same currency, then, each party's obligations to make payment of any such amount will be automatically satisfied by netting. If the amounts are not in the same currency, the amounts are converted by PALMA STREET in accordance with the principles referred to in Clause 11.
- 13.2. If the aggregate amount that is payable by one party exceeds the aggregate amount that is payable by the other party, then the party by whom the larger aggregate amount is payable shall pay the excess to the other party and the obligations to make payment of each party will be satisfied and discharged.
- 13.3. If the Client, at any time during the Client relationship, has a negative cash-balance in any Account, PALMA STREET is entitled but not obligated to net between the Client's Accounts. The Client shall bear all the charges and any other costs associated with such netting in accordance with the Commissions, Charges & Margin Schedule.
- 13.4. If the Client relationship is terminated according to Clause 23, the claims that the parties have against each other shall be finally discharged by means of netting (closed). The value of open Contracts shall be determined according to the principles set forth below and the final amount to be paid by one of the parties shall be the difference between the payment obligations of the parties.

- 13.5. Rates based on which the Contracts shall be closed shall be market rates applicable on the day on which PALMA STREET decides to close the Contracts.
- 13.6. PALMA STREET may at its reasonable discretion determine the rates by obtaining an offer from a Market Maker in the asset in question or by applying rates from electronic financial information systems.
- 13.7. When determining the value of the Contracts to be netted, PALMA STREET shall apply its usual spreads and include all costs and other charges.
- 13.8. This netting agreement shall be binding towards the estate and creditors of the parties to the client relationship.

14. MARKET MAKING

- 14.1. When PALMA STREET executes orders as Agent for the Client on a recognized stock or futures exchange, PALMA STREET will not be a party to such a trade as such orders will be executed in the trading system of the relevant exchange at the best price and the most favourable conditions available at the time of the order or according to the Client's specific instructions, e.g. in a situation where the Client has chosen to limit the order. PALMA STREET will not include any additional spread in the price of the execution achieved for the Client but will be remunerated according to the Commissions, Charges & Margin Schedule.
- 14.2. In order for PALMA STREET to quote prices with the swiftness normally associated with speculative trading, PALMA STREET may have to rely on available price or availability information that may later prove to be faulty due to specific market circumstances, for instance, but not limited to, lack of liquidity in or suspension of an asset or errors in feeds from information providers or quotes from Counterparties. If so and if PALMA STREET has acted in good faith when providing the price to the Client, PALMA STREET may cancel the trade with the Client but shall do so within reasonable time and shall provide the Client with a full explanation for the reason for such cancellation.
- 14.3. Following execution of any position with a Client, PALMA STREET may at PALMA STREET's reasonable discretion subsequently offset each such client position with another client position, or a position with one of PALMA STREET's Counterparties or retain a proprietary position in the market with the intention to obtain trading profits from such positions. Such decisions and actions may therefore result in PALMA STREET off- setting client positions at prices different (sometimes significantly different) from prices quoted to

clients, resulting in trading profits or losses for PALMA STREET. This in turn can raise the possibility of the Client incurring what may be seen as an implied cost (i.e. the difference between the price at which the Client traded with PALMA STREET and the price at which PALMA STREET subsequently traded with Counterparties and/or other clients) due to any profits realised by PALMA STREET as a result of the Market Making function. However, the Market Making function may involve significant costs to PALMA STREET if the market moves against PALMA STREET as compared to the price at which PALMA STREET traded with the Client.

- 14.4. The Client acknowledges, recognizes and accepts that the price quoted to the Client includes a spread when compared with the price to which PALMA STREET may have covered or expected to be able to cover the Contract in a trade with another client or a Counterparty. Furthermore, the Client acknowledges, recognizes and accepts that said spread constitutes remuneration to PALMA STREET and that such spread not necessarily can be calculated for all Contracts and that such spread will not be specified at the Settlement/Trade Confirmation or otherwise revealed to the Client.
- 14.5. The Client acknowledges, recognizes and accepts that PALMA STREET quotes variable spreads on options. The Client is specifically made aware that variable option spreads are affected by actual market conditions, which are beyond PALMA STREET's control. PALMA STREET does not guarantee any maximum or minimum quotable option spreads.
- 14.6. If the Client is an active trader and is undertaking numerous transactions, the total impact of as well visible as not visible costs may be significant. Consequently, the Client may have to obtain significant profits in the markets in order to cover the costs associated with trading activities with PALMA STREET. For very active Clients, such costs may over time exceed the value of the margin deposited. Normally, when trading margined derivatives, the lower the percentage of the applicable margin rate, the higher the proportion of the costs associated with executing a transaction.

15. AGGREGATION AND SPLIT

- 15.1. PALMA STREET is in accordance with the broker's Best Execution Policy entitled to aggregate the Client's orders with the broker's own orders, orders of any of the broker's associates and/or persons connected with PALMA STREET including employees and other clients. Furthermore, PALMA STREET may split the Client's orders when executing these. The orders will only be aggregated or split if PALMA STREET reasonably believes it to be in the best interest of the Client. On some occasions aggregation and split of the Client's

order may result in the Client obtaining a less favourable price than if the Client's orders had been executed respectively separately or mutually.

16. CONFLICTS OF INTEREST

- 16.1. PALMA STREET, its associates or other persons or companies connected with PALMA STREET may have an interest, relationship or arrangement that is material in relation to any transaction or Contract effected, or advice provided by PALMA STREET, under this Agreement. By accepting this Agreement and PALMA STREET's Conflict of Interest Policy (which distinctly describes the general character and/or background of any conflict of interest) the Client agrees that PALMA STREET may transact such business without prior reference to any potential specific conflict of interest.

17. PALMA STREET'S COUNTERPARTIES

- 17.1. In order to give effect to the Client's instructions, PALMA STREET may instruct a Counterparty selected at PALMA STREET's discretion and PALMA STREET shall do so where the transaction is to be subject to the rules of an exchange or market of which PALMA STREET a member is not.
- 17.2. PALMA STREET shall not be responsible for errors committed by such Counterparties unless it is proven that PALMA STREET has not acted with sufficient care when selecting the Counterparty.

18. DEFAULT AND DEFAULT REMEDIES

- 18.1. The provisions contained in this Clause supplement any other rights that PALMA STREET or any of its associates have according to this Agreement, including but not limited to the Pledge Agreement referred to in Clause 12, and furthermore any other rights PALMA STREET has.
- 18.2. PALMA STREET reserves the right to retain, or make deductions from, any amounts which PALMA STREET owes to or is holding for the Client if any amounts are due from the Client to PALMA STREET or PALMA STREET's associates.
- 18.3. The Client authorises PALMA STREET, at PALMA STREET's discretion, at any time and without notice, to sell, apply, set-off and/or charge in any manner any or all of the Client's property and/or the proceeds of any of the same of which PALMA STREET or any of its associates or Agents has custody or control, in order to discharge any or all of the Client's obligations to PALMA STREET or to PALMA STREET's associates.

18.4. Each and any of the following events shall constitute an Event of Default in relation to all of a Client's Contracts, Margin Trades, securities and other business with PALMA STREET (regardless of whether the Event of Default only relates to part of the business with PALMA STREET):

- i if the Client fails to make any payment or fails to do any other act required under this Agreement or by PALMA STREET at its reasonable discretion;

- ix if any security created by any mortgage or charge becomes enforceable against the Client and the mortgagee or chargee takes steps to enforce the security or charge;
- x if any indebtedness of the Client or any of its subsidiaries becomes immediately due and payable, or capable of being declared so due and payable, prior to its stated maturity by reason of default of the Client (or any of its subsidiaries) or the Client (or any of its subsidiaries) fails to discharge any indebtedness on its due date;
- xi if the Client fails to fully comply with obligations under this Agreement or any Contract, including refrains from complying with Margin requirements;
- xii if any of the representations or warranties given by the Client are, or become,

untrue;

- xiii if PALMA STREET or the Client is requested to close a Contract (or any part of a Contract) by any regulatory agency or authority; or
- xiv if PALMA STREET reasonably considers it necessary for its own protection or the protection of its associates.

18.5. Upon the occurrence of an Event of Default, PALMA STREET shall at its discretion be entitled to:

- i sell or charge in any way any or all of the Client's collateral, assets and property which may from time to time be in the possession or control of PALMA STREET or any of its associates or Agents or call on any guarantee, without any notice or court order. Sale of Security, assets and property shall take place by means that PALMA STREET in its reasonable discretion determines and at the price that PALMA STREET in its reasonable discretion determines to be the best obtainable, provided that PALMA STREET shall provide a 7-day notice period before realizing Security of any Client, unless immediate sale is necessary to avoid or limit a loss;
- ii buy or sell any Security, investment or other property where this is, or is in the reasonable opinion of PALMA STREET likely to be, necessary in order for PALMA STREET to fulfill its obligations under any Contract and the Client shall reimburse PALMA STREET for the full amount of the purchase price plus any associated costs and expenses;
- iii deliver any Security, investment or property to any third party, or otherwise take any action PALMA STREET considers to be desirable in order to close any Contract;
- iv require the Client immediately to close and settle a Contract in such manner as PALMA STREET may in its reasonable discretion request;
- v to enter into any foreign exchange transaction, at such market rates and times as PALMA STREET may determine, in order to meet obligations incurred under a Contract;
- vi reinvoice all or part of any assets standing to the debit or credit of any Account (including commuting PALMA STREET's or the Client's obligation to deliver an asset into an obligation to pay an amount equal to the market value of the asset (determined by PALMA STREET at its reasonable discretion) on the date re invoicing

takes place); and

- vii close-out all Contracts and net all the Client's and PALMA STREET's obligations towards each other as of the date fixed by PALMA STREET with effect to third parties.
- 18.6. The Client authorises PALMA STREET to take any or all of the steps described in this Clause without notice to the Client and acknowledges that PALMA STREET shall not be responsible for any consequences of it taking any such steps, unless PALMA STREET has exercised gross negligence in connection herewith. The Client shall execute the documents and take the action as PALMA STREET may request in order to protect the rights of PALMA STREET and its associates under this Agreement or under any agreement the Client may have entered into with PALMA STREET's associates.
- 18.7. If PALMA STREET exercises its rights to sell any Security or property of the Client under this Clause, it will effect such sale, without notice or liability to the Client, on behalf of the Client and apply the proceeds of sale in or towards discharge of any of the Client's obligations to PALMA STREET or to PALMA STREET's associates.
- 18.8. Without prejudice to PALMA STREET's other rights under this Agreement or under prevailing law, PALMA STREET may, at any time and without notice, combine or consolidate any of the accounts maintained by the Client with PALMA STREET or any of its associates and off-set any and all amounts owed to, or by, PALMA STREET or any of its associates in such manner as PALMA STREET at its reasonable discretion may determine.

19. CLIENT WARRANTIES & REPRESENTATIONS

- i it is not under any legal disability with respect to, and is not subject to any law or regulation which prevents its performance according to this Agreement or any Contract or transaction contemplated by this Agreement;

PALMA STREET shall not be responsible to the Client in connection with any subsequent fluctuations in the level of the relevant Margin Trade. If PALMA STREET closes a Margin Trade under this Clause such action shall be without prejudice to PALMA STREET's right to contend that such Margin Trade had already been closed by PALMA STREET or was never opened by the Client. PALMA STREET shall take reasonable steps to inform the Client that PALMA STREET has taken such action as soon as practicable after doing so. Where PALMA STREET closes a Margin Trade or alleged Margin Trade in accordance with this Clause, the closing shall be without prejudice to the Client's rights to open a new Margin Trade, provided that such Margin Trade is opened in accordance with this Agreement. When calculating margin or other funds required for such Margin Trade, PALMA STREET is entitled to do so on the

24. MISCELLANEOUS

- 24.1. If at any time any provision of this Agreement is or becomes illegal, invalid or unenforceable in any respect under the law of any jurisdiction, neither the legality, validity or enforceability of the remaining provisions of this Agreement under the law of that jurisdiction nor the legality, validity or enforceability of such provision under the law of any other jurisdiction shall be in any way affected.
- 24.2. PALMA STREET shall not be liable to the Client for any failure, hindrance or delay in performing its obligations under this Agreement where such failure, hindrance or delay arises directly or indirectly from circumstances beyond its reasonable control. - 24.3. If the Client's combined exposure in one or more margin trades reaches a level which - in case of an adverse market development - may lead to a significant deficit not covered by the Client's deposits and/or margin with PALMA STREET, PALMA STREET may in its reasonable discretion
- i increase the margin requirements and/or
 - ii reduce the Client's exposure by closing one or more or all of the client's open positions.
- 24.4. Furthermore, PALMA STREET is entitled in its reasonable opinion to determine that an emergency or an exceptional market condition has occurred. Such conditions shall include, but are not limited to, the suspension or closure of any market or the abandonment or failure of any event to which PALMA STREET relates its quote or the occurrence of an excessive movement in the level of any Margin Trade and/or underlying market or PALMA STREET's reasonable anticipation of the occurrence of such a movement. In such cases PALMA STREET may increase its margin requirements, reduce the Client's exposure, close any or all of the Client's open Margin Trades and/or suspend trading.

Transactions undertaken by the Client notwithstanding above, shall be deemed as had this sub-clause indeed been complied with.
- 24.7. The rights and remedies contained in this Agreement are cumulative and not exclusive of any rights or remedies provided by law.
- 24.8. No delay or omission on the part of PALMA STREET in exercising any right, power or remedy provided by law or under this Agreement, or partial or defective exercise thereof, shall:
- i. impair or prevent further or other exercise of such right, power or remedy; or
 - ii. operate as a waiver of such right, power or remedy.
- 24.9. No waiver of pleading a default of a clause in this Agreement shall (unless expressly agreed in writing by the waiving party) be construed as a waiver of a future breach of the same clause or as authorizing a continuation of the particular breach.
- 24.10. The Client hereby ratifies all transactions with PALMA STREET effected prior to the Client's acceptance of this Agreement and agrees that the rights and obligations of the Client in respect thereto shall be governed by this Agreement.
- 24.11. By accepting this Agreement on behalf of a corporation or other legal entity, the person signing represents and warrants that he/she is authorised to act on behalf of such corporation or legal entity and to bind the same to this Agreement and all obligations arising hereunder. If at a later stage it becomes apparent that the signatory was not duly authorized to bind the corporation or legal entity, PALMA STREET will have the right to seek restitution from this person. Furthermore, the signatory shall indemnify PALMA

STREET against all liabilities, losses, damages, costs and expenses in relation to any claims or action brought against PALMA STREET as a result of the signatory holding out to be authorised to act and bind any such corporation or legal entity.

24.12. Client shall be able to communicate with PALMA STREET in English or any other language as PALMA STREET may offer from time to time. PALMA STREET may communicate with the Client in English or any other language agreed between the parties.

The original English versions shall be the only legally binding versions for the Client and PALMA STREET. In case of discrepancies between the English version and other translations in the Client's possession, the original English version provided by PALMA STREET on the website shall prevail.

25. RISK DISCLOSURE STATEMENT FOR TRADES IN FOREIGN EXCHANGE AND DERIVATIVES (INCLUDING CFD'S, FUTURES AND OPTIONS)

25.1. This brief statement, which constitutes an addition to this Agreement, does not disclose all of the risks and other significant aspects of trading foreign exchange and derivatives. In consideration of the risks, you should enter into transactions with the mentioned products only if you understand the nature of the contracts and the contractual legal relationship into which you are entering and the extent of your exposure to risk. Transactions in foreign exchange and derivatives are not suitable for many members of the public. You should carefully consider whether transacting is appropriate for you in light of your experience, objectives, financial resources and other relevant circumstances.

Version: 2024/1

26. Appendix

26.1. FOREIGN EXCHANGE AND DERIVATIVES

26.1.1. Effect of "Leverage" or "Gearing"

Transactions in foreign exchange and derivatives carry a high degree of risk. The amount of initial margin may be small relative to the value of the foreign exchange or derivatives contract so that transactions are "leveraged" or "geared". A relatively small market movement will have a proportionately larger impact on the funds you have deposited or will have to deposit; this may work against you as well as for you. You may sustain a total loss of initial margin funds and any additional funds deposited with PALMA STREET to maintain your position. If the market moves against your position and/or margin requirements are increased, you may be called upon to deposit additional funds on short notice to maintain your position. Failing to comply with a request for a deposit of additional funds, may result in closure of your position(s) by PALMA STREET on your behalf and you will be liable for any resulting loss or deficit.

26.1.2. Risk-reducing Orders or Strategies

The placing of certain orders (e.g. "stop-loss" orders, where permitted under local law, or "stop-limit" orders), which are intended to limit losses to certain amounts, may not be adequate given that markets conditions make it impossible to execute such orders, e.g. due to illiquidity in the market. Strategies using combinations of positions, such as "spread" and "straddle" positions may be as risky as taking simple "long" or "short" positions.

OPTIONS

26.1.3. Variable Degree of Risk

Transactions in options carry a high degree of risk. Purchasers and sellers of options should familiarize themselves with the type of option (i.e., put or call) which they contemplate trading and the associated risks. You should calculate the extent to which the value of the options must increase for your position to become profitable, taking into account the premium and all transaction costs. The purchaser of options may offset or exercise the options or allow the option to expire. The exercise of an option results either in a cash settlement or in the purchaser acquiring or delivering the underlying interest. If the option is on a future, the purchaser will acquire a futures position with associated liabilities for margin (see the section on Futures above). If the purchased option is out-of-the-money when it expires, you will suffer a total loss of

your investment, which will consist of the option premium plus transaction costs. If you are contemplating purchasing out-of-the-money options, you should be aware that the chance of such options becoming profitable ordinarily is remote.

Selling ("writing" or "granting") an option generally entails considerably greater risk than purchasing options. Although the premium received by the seller is fixed, the seller may sustain a loss well in excess of that amount. The seller will be liable for additional margin to maintain the position if the market moves unfavourably. The seller will also be exposed to the risk of the purchaser exercising the option and the seller will be obligated to either settle the option in cash or to acquire or deliver the underlying interest. If the option is on a future, the seller will acquire a position in a future with associated liabilities for margin (see the section on Futures above). If the option is "covered" by the seller holding a corresponding position in the underlying asset, in a future or in another option, the risk may be reduced. In case the option is not covered, the risk of loss can be unlimited.

Certain exchanges in some jurisdictions permit deferred payment of the option premium, exposing the purchaser to liability for margin payments not exceeding the amount of the premium. The purchaser is still subject to the risk of losing the premium and transaction costs. When the option is exercised or expires, the purchaser is responsible for any unpaid premium outstanding at that time.

26.2. ADDITIONAL RISKS COMMON TO FOREIGN EXCHANGE AND DERIVATIVE TRANSACTIONS

26.2.1. Terms and Conditions of Contracts

You should ask the firm with which you deal about the terms and conditions of the Contracts entered into and information on associated obligations (e.g. the circumstances under which you may become obligated to make or take delivery of the underlying interest of a futures contract and, in respect of options, expiration dates and restrictions on the time for exercise). Under certain circumstances the specifications of outstanding contracts (including the exercise price of an option) may be modified by the exchange or clearing house to reflect changes in the underlying interest.

26.2.2. Suspension or Restriction of Trading and Pricing Relationships

Market condition (e.g. illiquidity) and/or the operation of the rules of certain markets (e.g., the suspension of trading in any contract or contract month because of price limits or "circuit breakers") may increase the risk of loss by making it difficult or impossible to effect transactions or close/ offset positions. If you have sold options, this may increase the risk of loss.

Normal pricing relationships between the underlying asset and a derivative do not always exist. The absence of an underlying reference price may make it difficult to judge "fair" value.

26.2.3. Deposited Cash and Property

You should familiarize yourself with the protections accorded the Security you deposit by way of money or other assets in domestic and foreign transactions, particularly in the event of a firm insolvency or bankruptcy. The extent to which you may recover your money or other assets is governed by the legislation and local rules in the country at which location the counterparty acts.

26.2.4. Commission and Other Charges

Before you begin to trade, you should obtain a clear explanation of all commission, fees and other charges for which you will be liable. These charges will affect your net profit or loss.

26.2.5. Transactions in Other Jurisdictions

Transactions on markets in other jurisdictions, including markets formally linked to a domestic market, may expose you to additional risk. Such markets may be subject to regulation, which may offer different or diminished investor protection. Your local regulatory authority will be unable to compel the enforcement of the rules of regulatory authorities or markets in other jurisdictions where your transactions have been effected.

26.2.6. Currency Risks

The profit or loss in transactions in foreign currency-denominated contracts in another currency than your account currency will be affected by fluctuations in currency rates where there is a need to convert from the currency denomination of the contract to the account currency.

26.2.7. Trading Facilities

Most open-outcry and electronic trading facilities are supported by computer-based component systems for the order-routing, execution, matching, registration or clearing of trades. As with all facilities and systems, they are vulnerable to temporary disruption or failure. Your ability to recover certain losses may be subject to limits on liability imposed by the system provider, the market, the clearing house and/or member firms. Such limits may vary: you should ask the firm with which you deal for details in this respect.

26.2.8. Electronic Trading

Trading on an electronic trading system may differ not only from trading in an open-outcry market but also from trading on other electronic trading systems. If you undertake transactions on an electronic trading system, you will be exposed to risks associated with the system including the failure of hardware and software. The result of any system failure may be that your order is either not executed according to your instructions, is not executed at all and a lack of capability to keep you informed continuously about your positions and fulfillment of the margin requirements.

26.2.9. Off-Exchange Transactions

In some jurisdictions firms are permitted to effect off-exchange transactions. The firm with which you deal may be acting as your counterpart to the transaction. It may be difficult or impossible to liquidate an existing position, to assess the value, to determine a fair price or to assess the exposure to risk. For these reasons, these transactions may involve increased risks. Off-exchange transactions may be less regulated or subject to a separate regulatory regime. Before you undertake such transactions, you should familiarize yourself with applicable rules and attendant risks.
